INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I just had the most bone-chilling thought: What if the world ran out of BARELY LEGAL girls? In my head, I know that's impossible—but deep down in my coochie, the idea makes me *shiver*.

Imagine a world without Skye's soft fur, Katerina's pink pussy, Molly's sweet smile. It would be hard, black, and bitter!

Without puffy nips like Kate's to suck on, my mouth would go so dry I wouldn't be able to speak! Without a tight twat like Julie Ann's to finger, my nails would grow like Freddy Krueger's! Without incredibly cute, insanely hot teenage girls to gaze upon, my eyes would never stop crying, and every drop of fluid would drain from my body until my pussy was a sawdust-filled shell!

Cops! I think I got a little carried away there. I love to scare myself around Halloween, but that's too much!

Anyway, the world will never run out of BARELY LEGAL girls...will it? *Shudder.*

JULY 2016 PANTY CONTEST WINNER!

R.W.G., love does win—and so did you! We hope you enjoy Chanell's undies!

CHANELL

Dear BARELY LEGAL,

I can't begin to tell you how much I'd love to win Chanell's panties.

I love to kiss necks and use a lot of tongue. I also love to give oral sex. It doesn't matter to me if Chanell spits. I love doggy-style—that way you can bang your balls against their bottom. I love to blow a load wherever my partner wants it—on her tits, ass, belly, whatever I'm in. I love to get head wherever. I try to be kind to everyone. I hope love wins, as Chanell says.

Chanell, you are a very beautiful girl. Your measurements of 32B-24-36 are just right. I'm amazed at your tits and ass and just the right amount of public hair (which drives me crazy).

I'd love to pound that beautiful pussy of yours. I've already masturbated looking at your spread-pussy picture. That picture of you on your hands and knees and pussy spread just drives me wild. I really would like to show you what I can do for you besides having you beg to be fucked.

So please, please, please let me win your panties. I know

that's as close as I'm going to get to that picture-perfect pussy of yours—but if given the chance to really get it on with you, honey, I'm all in. What a dream come true that would be!!! OMG, yes!!! Please make my day!!!

Love you, Chanell,
R.W.G.
Montana

Dear Kenna James,

Many BL readers will write in saying that your gorgeous, mile-long legs give them a reason to masturbate, while others will credit your great-looking ass and bald, tight pussy as their preferences. People will talk about how they can shoot off a load to your beautiful B-cup tits with those nipples just begging to be sucked on!

Personally though, I find that your sweet and genuine smile and dimples on the November 2015 cover complement your entire body.

Wilson
by Internet

KENNA

Aw, thank you, Wilson! Did you know that I'm back next month, in the November 2016 issue? I hope that makes YOU smile. :)

—Love, Kenna

Dear BARELY LEGAL,

I want to give a shout-out to Pennsylvania. Two lovely women, one from Lancaster, named Chloe, and another from Pittsburgh, named Chanell, light up your pages (July 2016). They have a commonality with nine other Penn ladies since I got hooked on your magazine in September 2012. All but one had public hair. Some bushes were nice and neat, others a jungle, but all were fun.

I love woman demographics, and you represent the regions beautifully. The most women are from California, followed by the Great Plains, then the South. A lot of beauty from the sparsely populated states of Nebraska, Oregon, and Rhode Island. Average height, 5-4, and weight, 115 pounds—can't beat it.

Finally, Ms. Heart is a sweetie. Goodness in people shines.

Love Sick in Oklahoma

Thanks, Love Sick! I never thought about demographics before. I wonder which states we've been neglecting? Can any of you guys out there tell me where the hottest girls are?

—Lindsey

Dear Lindsey,

A few days ago I got back from a trip and found my favorite magazine had arrived in my mailbox. Of course I'm speaking of BARELY LEGAL! I opened it and saw you with your sweet smile and beautiful breasts exposed for all us lucky readers to see. Of course you made me get a smile on my face and a hard-on.

Every beautiful young woman

who appears in BARELY LEGAL is captured forever in her most beautiful young and sexual self. I love the open and giving qualities that young women possess. Sharing their most intimate thoughts and beautiful bodies. Giving us men erections and the stimulus to have a most beautiful sexual release. I for one am so grateful to all of you wonderful young women who appear in BARELY LEGAL. You all are in my collection, and years later I pull out your issue and stroke my manhood with a sounding toy deep in my cock just for you! (One out of every ten or eleven men likes to have his urethra stimulated by having something inserted in it.)

The July issue is full of wonderful young models. Of note is Bailey Rayne, who paints with her beautiful breasts. That's so sexy! Lucy Doll, you are so cute and so sexy! Please come back and play with your beautiful pussy lips so they fill up and engorge into a woman flower. On page 60, Cindy Ellen McElhenney tells of her first time (BARELY LEGAL Confession). Cindy, thank you so much for sharing your experience with us readers. You are so sexy, and I'm always curious what a young woman feels the first time a man enters her pussy with his hard manhood. I know it felt so amazing when I first put my penis in a young woman. Thank you, Cindy, for the arousing photos. I'm hard even as I write this letter.

All you lovely models who are in the July issue and all the past issues—every one of you is very special to me, and I thank you all for the pleasure and erections you have given me. To any young woman who might want to be in BL some day, please do so and be immortalized forever in your most sexy body. Show me everything! I'll be hard just for you, and so will thousands of other lucky readers of the best magazine ever.

**Love,
Sounder
California**

Sounder, thank you for your beautiful letter—and special thanks for teaching me about sounding toys! How exciting! I hope the next guy I'm with feels like experimenting. :)

—Lindsey

To Special Consulting Editor Lindsey,

Here's a shout-out to you, Lindsey. Lord, you are cute! Just looking at your own topless photo (page 3 of the July 2016 issue) should make you—yes, you, sweet Lindsey—immediately slip your fingers inside your panties and furiously rub your clitoris, sniffing and licking your digits until you orgasm while kissing your own photo!!

You are wonderful! God bless you!!

**Love you,
Paul, a subscriber of
BARELY LEGAL and Taboo
New Jersey**

Paul, have you been peeking through my office window? :)

—Lindsey

MY FIRST AND LAST GIRL

BARELY LEGAL CONFESSION

BY JULIE ANN HOWE

My best friend is a lesbian. There is no shame in that. Not everyone in the world can be normal. I never had a problem with Danielle being gay, because it's not like she ever tried to get into my pants. Until recently.

You might not know it, but it's just as hard for gay girls to find true love as it is for straight girls like me. Danielle got dumped real bad by Tammy Jackson, who is a girl in, like, name only. Sometimes I think Danielle might as well be heterosexual when I see the hulking she-males she dates. Danielle says that's what she's stuck with. There aren't a lot of lezzies who are thin and beautiful. Right after saying this, she looked at me all meaningful.

"I wish you were gay," she blurted.

"You have definitely had enough," I scolded, grabbing the bottle of apricot brandy out of her hands. "You know I totally love boys." 

PHOTOGRAPHY BY ELP STUDIOS

AGE: 18
HEIGHT: 5-2
WEIGHT: 100 POUNDS
MEASUREMENTS: 34A-22-30
HOMETOWN: BURLINGTON, VT.

"But how can you be *sure*?" she insisted. "I thought I liked boys when I was 18. Look at me now, a year later. Aren't you even curious?"

I was. When Danielle would tell me about how her and Tammy would eat each other out and have all these orgasms, I would get jealous and even a little tingly in the cooch. High school boys are unfortunately not very good at cunnilingus. Not that I blame them, because I wouldn't look forward to putting my mouth on a stinky snatch.

I looked at Danielle's lips, all pink and moist, and wondered how they would feel wrapped around my clitty. I sucked my breath in, and Danielle smiled.

"You don't have to do anything to me," she whispered. "Just let me do stuff to you."

I must have been as drunk as Danielle, because I didn't stop her when she pulled my clothes off. She slipped her finger into my pussy, smiling again when she felt how wet I was.

"I can't wait to taste that," she said. "But first..." She pulled out a freaky, fleshy-looking dildo. "Perfect for a dick lover such as yourself, huh, Julie?"

She spread my legs and slipped the plastic penis into my cooch. It felt totally unreal, and I don't mean just the bogus boner. Instead of a rough, sweaty boy crawling all over me, there was Danielle fucking me slow and steady, with her pretty breasts bouncing and her long, blond hair hanging down, tickling my thighs and tummy. It was awesome—and confusing.

"I don't like this," I whined.

Danielle pulled the dildo out.

"You're right. I should stick to what I know."

She gently parted my swollen pussy lips and slowly licked the inside. There were no sharp whiskers cutting up my coochie, no hairy ape hands stretching my lips open like they were made of Silly Putty.

I squirmed under Danielle's tongue to somehow make it feel not so good. I was not a lez!

"Relax, baby," she murmured. "Here, suck on something familiar while I finish licking you."

I stuck the dildo in my mouth, completely forgetting that it had been inside me. By the time it registered in my brain, I was sucking the thing clean. Pussy was absolutely delicious. And if mine was tasty...

"I want to eat you, too," I demanded.

Danielle looked as shocked as I felt. She quickly recovered, spinning her body around and planting her poon on my face as she continued to munch my muff. I dug into Danielle's cooch like it was the most normal thing in the world, even though I know it isn't. Our pussies exploded at practically the same time.

"You're pretty good for a straight girl," Danielle grinned, her mouth all shiny from my juices.

It was surprising that I so rocked at eating pussy. I try to show my boyfriends what I learned that day so they can do it to me, but they just can't get the hang of it. Meanwhile, Danielle is going out with a "girl" who looks like Vin Diesel, except not as pretty. It's too bad for the both of us that I'm not gay. ★

Hello, you handsome devils! It's Abby the intern. Porn starlet Skye has returned, and she's got a little gift for (some of) you!

Hey, Skye! I see what you've been doing since the last time you were here (February 2016).

LOL! Are you referring to my hairy coochie?

Yes! What made you grow it out?

Well, some of your readers liked the itty-bitty bush I used to have, so I thought they might *really* like a big one.

I think you're right! How do you feel about it?

I love it. It's easy to maintain, and it makes older guys very happy.

Do you hook up with a lot of older guys?

Yes, they're the sexiest. They know *all* the positions.

What's your favorite?

Doggy. I know, boring!

Not at all!

I'm really *not* boring. I mean, I'll have sex *anywhere*.

Like where?

Like, in the woods on the ground. In a beach bathroom. In a car. In a Kmart bathroom.

What do you like to do when you're not busy having sex in lavatories?

My favorite thing is to chill at home in just my panties and do my nails.

No bra?

Never! I don't need one. :)

Your boobies *are* amazingly buoyant. Do people ever ask you if they're fake?

Sometimes, yes, and it drives me crazy! But it also makes me appreciate them even more.

What's changed since the last time you were here, besides your bush?

Well, if you can believe it—I *love* getting my butthole licked.

What?! You said you never wanted anything in your booty hole!

I know, but a tongue is totally different—which I discovered thanks to an older gentleman.

You really are hooked on old dudes.

They are the teacher and I am the student!

But you must learn a lot on the job, too.

I do—one of the many reasons it's the best job in the world! ★

Guiltiest pleasure: Laying in bed all day naked.

Wildest thing I've ever done: Flashed my boobs in a Red Lobster.

If I had a penis I would: Try to suck it.

Ideal guy: Someone who will treat me like a queen and fuck me like a slut.

Biggest turn-on: Bubble bath and a back massage.

Favorite way to masturbate: With a vibrator, first thing in the morning.

Favorite sexual activity: Giving blowjobs is the most fun. :)

Spit or swallow: Swallow, duh!

To bi or not to bi: Bi, definitely. I love other girls' boobs almost as much as I love my own!

Favorite way to fuck: Push me against a wall and fuck me nice and hard. Don't be afraid to smack my ass, pull my hair, and give me the D.

Favorite place for a guy to come: In my pussy or on my face.

Best way for a guy to pick me up: Tell me I have an amazing set of boobs and you want to make them bounce.

Favorite fantasy: Something with ropes...

Dream date: Camping in a tent built for two, but with three people. :)

Ultimate goal: To always keep my pussy thoroughly satisfied. ★

A woman with brown hair tied in a ponytail is posing in a gym. She is wearing a grey sports bra with pink trim and black underwear. She is standing on a treadmill, with her hands on the side rails. She is looking back over her shoulder at the camera with a smile. Her back and buttocks are prominently displayed. The background shows a bookshelf filled with books and a wooden door.

♥ OCTOBER 2016 ♥

Last time you were here, you said you hadn't had sex in public—"yet."

Oh, yes! LOL. Well, I keep trying and trying, but I can't seem to convince anyone to do it with me. Scaredy-cats! You *also* said, about anal, "one day I hope to get to" do it. Did that day come?

Yes, and so did I! :)

So I guess it was worth the wait.

It was incredible. I'm so glad I waited.

Why is that?

Because anticipation is always a turn-on, and then when the thing finally happens—*pow!*

Finally, what's your favorite fantasy?

Revenge! Getting fucked by a hot porn star and forcing my exes to watch. :)

Katerina! I thought you were a nice girl!

I am, as long as you are nice to me. :)

Then I promise to always be nice to you—although I wouldn't *mind* watching. ★

Hey there! It's Abby the intern. Say hello again to porn cutie Katerina!

Welcome back, Katerina! Has your life changed since you were on the cover of BARELY LEGAL (July 2015)?

No, I'm still the same down-to-earth Southern girl. I hope! Do I seem changed?

No, you're a sweetie. I have some questions I never got to ask you last time. For instance, what's your favorite way to masturbate?

Nosy! With my fingers or a Hitachi. Or a little skinny vibe, like now. I can't fit much else inside. :)

What's your favorite position?

Doggy.

How do you like to be fucked?

Slowww and deep.

Does anything turn you off?

Just insecure people. I need a confident guy who will dominate me.

Have you ever fucked a stranger?

Nope. I believe sex is best when it's with someone you feel passionate about. You can't really feel passionate about a stranger.

Every little hottie whose picture we print gets \$250 and a chance at posing for a layout worth up to \$2,500. Fill out the model release on the last page of this section and include a color copy of a valid ID. Join the Slumber Party!

"I love public nudity and public sex," confesses **Layla** from Eastlake, Ohio. The naughty 19-year-old has been "totally nude in a Burger King, in Giant Eagle, and outside a Quaker Steak & Lube" and has posed naked "with statues around the Cleveland Museum of Art." Layla says she's straight (bool), but fantasizes about having "a threesome with another girl and my boyfriend." (Well, that's a start!) This former Catholic school cheerleader once had sex with her ex in a closed trunk while someone was driving, and she got caught by her ex's dad "while fucking in his car in the garage." (Honk if you're horny!) Layla's fave positions are reverse cowgirl and "being bent over furniture." Sadly, anal is out: "It won't fit! :(" In her spare time, Layla enjoys shopping, camping, hiking, painting, and watching Disney movies. (Aww!) But this model and waitress is happiest of all when she's working: "I love posing nude, and I love pleasing and serving people." We would love to please and serve you, Layla!

the wet spots. It makes them lose their minds!

Did you invent that?

No, I read about it in a book. All those dumb sluts who make fun of me for reading are going to be so *sad* when I beat them.

Do you swallow?

You *have* to or you're automatically eliminated.

This competition sounds so serious!

It is, but it's also really fun. I love sucking cock, and I *love* cum. Oh—that's another special thing I do. I tell them, "I can't wait to taste your cum."

That's hot.

Yes—although sometimes it makes them come so fast I hardly get to suck at all. I don't want to accidentally lose points!

Well, good luck this year!

I don't need luck—just lots of saliva. ★

Hey, it's Lindsey. High school senior Dominique plans to have "the best year ever." I think it will be a good year for some other people, too!

Hey, Dominique! How are you going to make senior year your best ever?

By achieving my two main goals: 1. to be voted "Most Likely to Succeed" in the senior poll, and 2. to be voted "Best Blowjobber" in the *secret* senior poll.

Very ambitious! How close are you to achieving your goals?

For the first, very close. I've always gotten straight As, even in my honors classes. I just have to make sure I keep studying hard this year and don't give in to "senioritis."

How will you have time to give the most BJ's, too?

It's not about "most"—it's about "best." There are only 12 judges. I just have to convince them.

How will you do that?

Well, not to brag, but I'm really good.

Do you have any secret techniques?

Mmm—I guess I can tell you. I do this thing where I lick their cock first and get it all sloppy, then I blow on

HOMETOWN: YONKERS, N.Y.

Hello again! It's Stacy the intern. For a good time, I want to call porn starlet Katel!

Hey, Katel How would you describe yourself?

My zodiac sign is Gemini and describes me perfectly! I am fun and easygoing, extremely down-to-earth, and super spontaneous. I always want to try new things, especially sexually. I am a huge flirt and appreciate a sense of humor. I enjoy a good time at the beach with my friends and two chihuahuas, Polly and Meeka.

What do you do for fun?

I spend a lot of time outdoors playing volleyball, kayaking, sunbathing, and attending music festivals. I also love taking my car to the racetrack.

What do you like best about posing nude?

I feel so free when I am nude, and completely confident for the camera. It feels completely natural to me. I just want to look good and make sure I am doing a good job so I will be hired to come back!

What do you like best about doing porn?

I get to work with amazing talent and directors that make it super fun. I am starring in adult films, plus I get to have sex and get paid at the end of the day. I can't think of anything not to love!

What do you think is your best feature?

I would have to say my breasts. I used to hate them because they were so different, but now I see that isn't a bad thing. The adult industry loves them!

How often do you masturbate?

I masturbate at least three times a day. Some days I have even masturbated more than seven times.

What's your favorite method?

I orgasm very quickly when I use a vibrator, which saves time to masturbate more.

What turns you on the most?

I love dirty talk, light bondage, and also have an obsession with guys' balls. LOL.

What turns you off?

A bad kisser is probably the biggest turn-off for me.

What kind of guys do you like?

I don't really have a type when it comes to looks, but when it comes to personality he needs to have a sense of humor and not be arrogant or overconfident.

Are you bi?

Yes, I am definitely bisexual. I love everything about women. We are great kissers with soft skin and amazing curves. Not to mention, pussies are incredible and I could stay down there forever!

What kind of girls do you like?

I prefer blondes but have also been with super hot brunettes and redheads. I like natural breasts and a nice, round butt to grab.

Do you like to give head?

Yes, I actually think I enjoy it more every time I give head. I like to make it super sloppy and see how deep I can take it down my throat. It is like a challenge.

Do you like to swallow?

I love swallowing!

What's your favorite position?

I would have to say doggy-style is my favorite. It makes me come every time.

How do you like to be fucked?

I prefer to start out slower in the beginning, with a lot of foreplay. A lot of touching and kissing and dirty talk. Then, I like to end rough with lots of choking and slapping and coming.

What's the best way for someone to make you come?

The best way for me to come is oral or doggy-style.

Where do you like a guy to come?

I love getting creampie'd. My second favorite place is on my chest.

Do you like anal sex?

Yes, I do. I actually had anal sex before vaginal sex!

What's the weirdest place you've ever had sex?

In the back of my grandparents' van with my boyfriend during a road trip across the country.

What is the wildest thing you've ever done?

Had sex with my cousin's girlfriend when he wasn't home.

What's the best way for a guy to pick you up?

If I met him at the dog park and he had a cute little chihuahua. Then our dogs could go on doggy dates.

How would you describe your dream date?

Dinner and drinks on the beach with the sun setting.

What's your favorite fantasy?

I have always fantasized about having sex with a doctor or a teacher.

What are your future plans?

I plan on shooting my first ever double-penetration scene very soon, and I am also working on starting my own production company so I can make all my fantasies come true, while at the same time helping newer talent succeed in the industry. ★

RACHEL

trials of an early bloomer

Rachel is only 18, but she already knows the pain of prejudice. "People think big tits are a blessing for a girl," reflects the junior-college agricultural-sciences student. "Which, yeah, I admit that they are. Sometimes, though, I wish I was flat-chested and didn't have to deal with the burdens of bustiness."

Rachel's voice chokes with tortured recollection. She lifts her shirt, revealing the source of her angst. "You wouldn't believe the looks and comments that other women throw at me. I guess I can understand their hostility; how could they see my ripe twin cannons and *not* seethe with jealousy? Even so,

their cutting words and glances hurt. They forget that beneath these heaving udders beats a heart just like their own. I try to shrug their gibes off and smile; most of the time I can."

One day last week, Rachel's cheery facade failed her. She was on her way to class when a male student mooded at her.

"Here, Bessie," he said. "Milking time!"

Rachel burst into tears. She ran into an empty classroom and cried uncontrollably. Her swollen chest heaved with each sob. A hand fell on her shoulder and interrupted her weep-fest.

"It was the boy; he kept saying how sorry he was, and how he didn't mean to make me cry. He was just overcome by the awesome beauty of my chest rockets.

"You know what's great about your big tits?" he said. "This." He unzipped his pants and pulled my shirt over my head. He grabbed two fistfuls of sweater meat and wrapped them around his stiff wiener. I drooled between my tits; his rod pistoned in my cleavage like an oiled cylinder.

"Isn't that nice?" he asked, humping my chest like a crazed chimp. I cupped his furry scum sack in one hand and friggd my love nubbin with the other. My twat fluttered. I released his cubes from my grip and jabbed an index finger in his crap ring. He blew his warm DNA all over my chest; I sucked it up with loud slurping noises.

"I guess if my big titties can bring that much joy to the world, I can endure the catty jealousy of less-endowed women. I used to think that mine were too big; now I think they might be just right. What do you think?" ★
